### WINE SEASON!!!

It may be summer in Chile where most of the Sassy Bitch Wine is made, but here, it's Winter and that means Wine Season!

### MARKET VISITS . . .

There are a number of dates available in February and early March. Tami would love to visit and help boost wine sales. Please contact her directly via e-mail or telephone to schedule the date(s) for your market visit.

### Sassy Bitch NV Moscato

This is distinctly sweet, almost a dessert wine, with orange, mango, honey and vanilla flavors. It's easy to like, and would be nice if garnished with a slice of pineapple and a sprig of mint. — **S.H.** Published 12/31/2012
